Stefan Thöni July 14, 2014

1 Call for hosts

On Juli 11, 2014 the PPI board call the ordinary members for a vote on the licaton of the PPI General Assembly 2015. The voting will end on Juli 21, 2014 at 24:00 CEST.

The possible options are:

- 1 - PP-IS Reykjavik
- 2 - PP-EE Tallin
- 3 - PP-IT Milan
- 4 - PP-PL Warsaw
- 5 - none of the above

I've contacted all the organizers and got a response from all but PP-PL. I've also talked to Thomas Gaul from the PPI board about the matter. He recommends Warsaw as the location with the least uncertainty factor in the organization.
