Salut!

Pour créer ces adresses j'ai besoin des adresses non-pirates de tout les membres du comité et je dois aussi savoir qui est le responsable de l'IT pour votre section.

Hmm, this didn't work. When I try to decode your message I get an error. Did you encrypt it with "gpg --encrypt"? And choose my key? :)

Okay, that worked :)

You all (should) have received @partipirate.ch mail addresses and instructions on how to use them. Those addresses are now part of the comite at fr.partipirate.ch alias (i.e. you can all be contacted over that address).

Also, there are additional national (partipirate.ch) distribution aliases: comite@ goes to all members of the national and the cantonal boards, sections@ goes to all cantonal sections.

Will van Gulik received additional instructions on how to keep your section board alias up to date.

If there are any further questions, let me know.

Of course, when I wrote fr.partipirate.ch I meant to write ge.partipirate.ch :)
