

Digitale Infrastruktur - Bug / Feature #1202

closed issues in Redmine only listed with ID

11 July 2011 15:02 - Valio

Status:	Closed	Start date:	11 July 2011
Priority:	Normal	Due date:	
Assignee:	corvus	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:			
Request Type:	Feature Request		
Description In the issue list of a project e.g. http://projects.piratenpartei.ch/projects/support/issues when applying the filter "closed" or "all" only the IDs of the issues are displayed, but not the rest (i.e. Tracker, Status, Priority, Subject, Assignee, Updated, Created). Further more all issues can be displayed in full when clicked on the ID. There seems to be no difference whether the user is logged in or not. Testsystem: Win7, Firefox4

- Status changed from New to Closed

Das war ein nicht benötigtes Plugin (http://www.redmine.org/plugins/redmine_default_columns), welches hier gewildert hat. Das Plugin ist nun entfernt und das Filtern von Tickets funktioniert nun wieder wie gewohnt.
