

MDB GUI - Bug / Feature #229

Use web service for entities

20 November 2010 20:57 - corvus

Status:	Closed	Start date:	20 November 2010
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:			
Request Type:	Feature Request		
Description			
Use a web service like http://www.oorsprong.org/websamples.countryinfo/CountryInfoService.wso or similar to retrieve the entities information.
