

Digitale Infrastruktur - kanban #5370

Drupal - Comments not displayed correctly

13 June 2013 09:23 - Valio

Status:	k_backlog	Start date:	13 June 2013
Priority:	High	Due date:	
Assignee:	oschad	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description <p>Up to now https://www.piratenpartei.ch/comments/recent displayed all comments along with options to delete or modify them. Obviously this view is broken now; all elements consist solely of the following code (where XXXX is a numeric ID like "1854")</p> <pre><li class="views-row views-row-1 views-row-odd views-row-first"> <ul class="comment"> <li class="cotermin"> <h4><!--?=\$month?--></h4> <h5><!--?=\$day?--></h5> <h6><!--?=\$year?--></h6> <li class="copic"> <li class="cotext"> <!--?=\$author?--> <h1><!--?= \$title ?--></h1> <!--?= \$content ?--> <div class="cofoleft"> <!--?= \$date ?--><!--?= \$links ?--> </div> <li class="clear"> </pre> <p>The feed view at https://www.piratenpartei.ch/comments/recent/feed still works, but is not usable for moderation.</p>
