Request Type:	Feature Request		

Description
Background
Recently, the member count of the AG PKS increased by two and now counts four members in total. To facilitate communication, we would like to have a mailinglist. As the task-force sometimes discusses topics in the realm of strategy that are not meant to be public, it is crucial that the archives are not open. I understand that the best practices are to have open archives, but I would like to request you to make an exception in the case of the strategy group.
Feature Request

- Mailinglist "PKS"
- No archive
- Members: convex, Abnaxos, afire, Ced
- Admins: convex, Ced

Ahm, what's the admin password? :)

#4 - 02 February 2011 16:11 - Anonymous

You should have received that by e-mail. If not, let me know and I'll reset it.

#5 - 02 February 2011 16:35 - Ced

I did not get an e-mail.

#6 - 02 February 2011 16:37 - Anonymous

Since I'm sure you don't want to upset the mail/list admin, I'm going to ignore that statement :)

You'll get a new password by e-mail in a couple of minutes.

Thanks, it worked. Case closed :)
