Das hat wohl mit <https://github.com/civicrm/civicrm-core/pull/26585> zu tun aber ich weiss nicht wieso.

Ich habe die folgenden Patches reverted:

- <https://patch-diff.githubusercontent.com/raw/civicrm/civicrm-core/pull/26681.patch>
- <https://patch-diff.githubusercontent.com/raw/civicrm/civicrm-core/pull/26585.patch>
- <https://patch-diff.githubusercontent.com/raw/civicrm/civicrm-core/pull/27491.patch>

Bitte teste mal ob das geholfen hat.

Könnte ich als workaround das Passwort von presse@piratenpartei.ch haben, damit ich (hoffentlich) via webmail verschicken kann?

#10 - 25 September 2023 20:54 - jowi

presse@ ist ein Alias von otrs@

Ich habe grad erfolgreich ein Mail verschickt (kein testmail). Kanns du es nochmal versuchen?

#12 - 25 September 2023 21:39 - Pascal

mail ist grad im Versand.

Am Text dürfte es nicht gelegen haben, da die MM zur Motion Guggler am Donnerstag ein anderer Text war.
